

Diving and snorkelling near Dahab

Happy Life Village is located in the coastal town of Dahab, the Arabic word for gold. The Bedouin compared the shimmering sand with gold dust. Dahab is famous for its deceptively deep diving sites such as the Blue Hole, the Canyon and the Lighthouse. Happy Life is located in front of one of the most famous diving spots in Dahab, named Triple Pools, Golden Blocks. These sites are challenging for both beginners and experienced divers. English and German speaking instructors from the hotel diving center Orca Dive Club accompany less experienced divers and snorkellers to colourful coral reefs and tropical fish.

The hotel also offers facilities for table tennis and a game of pool. Surfing, water-skiing and jet-skiing equipment can be hired in Dahab.

Sinai Desert

Happy Life Village organizes excursions to the Sinai desert with Bedouin guides. Our guests can explore the desert by 4x4, camels or beach buggy and hike into the Coloured Canyon or the White Canyon. A nocturnal ascent to the summit of Mount Sinai (2285m) is rewarded with a spectacular sunrise and splendid views. Other options are adventurous camel or jeep treks through the desert. The ancient Monastery of St Catharine is for many the highlight of their visit to the magnificent Sinai Desert.
